## Game Description

Prospector Wilds Megaways is the third iteration in Prospect Gaming's debut slots series Prospector Wilds. With a basic 5x3, a Hold and Win and now a Megaways, players can choose their preferred format, while staying in the delightful prospector theme they've come to enjoy.

A classic Megaways title, Prospector Wilds Megaways employs a satisfying tumble mechanic with every win, which also triggers Freespins if the player lands four consecutive Tumbles. During Freespins rounds, every win contributes to an uncapped multiplier, and the reels lock at seven (7) symbols high to chase the game's 25,000x maximum win.
