Game Description

Iron Dog Studios' Luck of the Dragon brings a fresh perspective to the Hold & Win mechanic. With its Macau theme, the player is transported to another land while playing; a land filled with dragons, tigers, and pots of gold.

Luck of the Dragon is the first Hold & Win game from Iron Dog Studio featuring a Macau theme!

During Freespins the pot collects coins from the reels. Once the pot is full, distribution is triggered. Alongside the collect and win feature, Luck of the Dragon features bonus rounds in the form of Freespins and Hold & Win respins.
