## Game Features

### FREESPINS HR 1/333

Landing four consecutive Tumbles triggers Freespins.

Every win during the Freespins contributes to an uncapped Win Multiplier.

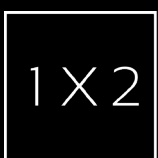

## Game Description

Prepare to be spooked and entertained with Iron Dog Studio's Halloween Horrors Megaways, a classic Megaways format wrapped up in Iron Dog's signature premium style.

During the base game, players can expect classic high-volatility gameplay, with Megaways' iconic tumble mechanics. Should the player land four successive tumbles, they'll be awarded with Freespins.

During Freespins, the reels lock at 7 symbols high to help chase the 25,000x maximum win. Players can also retrigger further Freespins with by landing additional tumbles.

Halloween Horrors Megaways is also available as a Brandable Megaways, contact your dedicated Account Manager for more information.
