

COIN VAULT

COIN VAULT

Coin Vault from 1X2gaming will have players diving into the bank vault with this neon themed mine game. The game's vibrant backdrop and engaging mechanics acting as a nostalgic reminder of the classic mine-sweeper games of the 80s.

Players can **adjust** both the size of the game board and how many **mines** are present, providing for **longer play sessions** as players discover new strategies.

Coin Vault represents a rapidly growing portfolio of **arcade** releases from 1X2gaming, further expanding the diverse range of titles available under the 1X2 Network.
