Game Description

Goal Blitz is the first sports-themed slot game by Iron Dog Studio. The action kicks off in the base game when the **Goal symbol** triggers a frenzy as it lands on the horizontal reel and collects all the **Football**s landed. Each Football carries a unique value and their sum is awarded to the player.

The real victory comes with three **Shirt symbols** as they activate the Extra Time Freespins. The number of Freespins awarded is the total sum of the numbers on the shirts. Rack up even more Freespins by landing additional Shirts (two or more) during the feature, maximising the excitement.

Keep your eye out for the **Golden Football**, which only appears during Freespins and takes the game to a whole new level with its thrilling **Penalty Shootout** feature. Skill is not a priority here, just aim, score goals, and claim incredible prizes. The more Golden Footballs landed, the more penalty kicks you'll get, leading to the potential for even bigger returns.
