Game Description

Get ready for a sizzling new adventure with Arriba Heat Fuego Fortunes! This chilli-fuelled 6x4 slot is packed with gold chilli coins and the beloved Mr Peppe, whose brand-new mission is to collect all the coins on the board.

In the base game, the Collector feature gets triggered whenever Mr Peppe appears, allowing him to gather all the coins and give amazing payouts! If in luck and two Mr Peppe symbols are landed, they'll merge into a powerful 1x2 symbol, doubling the values on the multiplier ladder! Remember, the more coins collected, the greater the rewards.

But that's not all - Land three or more Scatter symbols to activate Freespins. During this feature, the frequency of Mr Peppe collecting gold coins is also increased and the Mega Jackpot (2500x) is unlocked, offering even bigger payouts!
