Game Description

Meet Eagle Strike Lucky Cache, an exciting 25-line slot from Iron Dog Studio that takes players to an enchanting green canyon teeming with exotic wildlife and of course the powerful eagle, guardian of the leafy valley. **Key Features: Hold & Win, Freespins, Expanding Wilds**

In Eagle Strike Lucky Cache the scenery gives off a majestic aura with vibrant colours and sharp graphics. Watch as the **treasure chest** at the top of the reels collects all the coins landed and rewards them to players when full. The anticipation builds up once 6 coins are landed, triggering **Hold & Win**. The player is granted 3 respins during which Mystery Coins may land on the reels awarding Jackpots at the end of the mechanic.

The excitement intensifies when 3 Scatters are landed on the board, unlocking 8 **Freespins** rounds. Additional Freespins are awarded when 3 Scatters are landed during the Freespins rounds. And that's not all—Hold & Win can also be triggered for even bigger wins!

Take advantage of our **double ante-bet** option to maximise the chances of big wins. Players can activate the ante-bet for Hold & Win (HR 1/64), Freespins (HR 1/167), or both (H&W: 1/57, Freespins: 1/167) for the ultimate gaming experience!
