Game Description

In *Lucky Cauldron*, you're the witch! Get ready to brew up some serious magic as you encounter enchanted books, spooky pumpkins, and mysterious magic potions in this 3x3 slot by Iron Dog Studio!

Sticky cash symbols, collectors, mystery symbols, multipliers, and even cash showers await you in this bewitching adventure. The *reel magic* happens when you fill-up the middle horizontal row or trigger a cash shower, unlocking **Hold & Win**. As the cauldron bubbles, and the entire board fills up, brace yourself for a **Mega Jackpot (1,000x)**! And just when you think it can't get any spookier, there's a chance your multipliers will randomly **double** their value, for even higher payouts.

Keep an eye on those **mystery symbols**—they can transform into cash symbols, jackpots, or even collectors. The magic is real, and the payouts are spellbinding!
