### Game Description

Get ready to turn up the heat in **Arriba Heat Megaways**, where Mr. Peppe is back to make things even more *picante!*

This Mexican-themed slot is full of **tumbles** that keep your winning streaks alive while **spreading** and **sticky wilds** turn up the heat even more. Watch as the sticky wilds stick to the board before they explode when no more winning combinations are left, clearing the way to new wins!

Land 4 Scatters and get into **Chilli Habanero Freespins** mode! Where spreading wilds appear, **explode** and **transform** surrounding symbols into wilds, increasing the chances of high payouts!

Can you handle the heat in Arriba Heat Megaways?
