Game Description

Are you a wild animal lover? Then this slot is for you! Set in a hidden forest far, far away, **Apex Strike Lucky Cache** takes you on an exciting adventure featuring an array of majestic wild animals—from pumas to deers—all helping you score incredible payouts along the way!

Coin showers, Freespins, board expansions and jackpots are only some of the features that you'll encounter on this trip. Starting off in the Base Game, coins can trigger powerful **coin showers** and award extra payouts! Land enough coins (6 or more) to unlock **Hold & Win**, where the **board expands** with 4 additional rows. As more coins land on specific parts of the board, these rows unlock, bringing you closer to filling up the entire board and winning the **Mega Jackpot** of 10,000x! Watch out for the **Mystery Symbol** during Hold & Win, it can transform into a jackpot at any time!
