Game Description

Brace yourself for an explosive new arcade adventure from AD LUNAM and relive the nostalgia of retro mine-sweeper games!

Place your bet, pick a box, and feel the gold rush! Find a piggy bank? You win! But beware, one wrong move and—BOOM—a bomb wipes out your bet!

Wait, there's more! Customise the size of the board to your needs and set the number of bombs before the game starts. The more daring you are, the more chances you have for bigger payouts!

It's a retro gaming experience packed with adrenaline—and a whole lot of dynamite! Are you brave enough to beat the time bombs?
