Game Description

Ready to unleash your ho-ho-ho-holiday spirit? Jolly Bonus Wins is the perfect Christmas-themed game full of mystery symbols, multipliers, and festive jackpots.

This exciting 3x3 slot from Iron Dog Studio is the perfect game to enjoy on a chilly winter night. Hold & Win is activated when three symbols land in the middle row and/or reel. When both the middle row and reel are filled, Hold & Win is enhanced! During Hold & Win, spins reset to 3 when a new symbol lands on the board. Fill the entire board to win the Mega (1,000x) Jackpot!

Experience the magic of Santa's workshop by landing collector symbols and uncovering mystery symbols across the whole board!

Pour yourself a cup of hot chocolate, prep the fireplace, and join Santa in this jolly festive game!
