Game Description

Get ready to electrify the reels with Fruit Lightning, where juicy fruits meet high-voltage thrills!

In this slot, cherries, oranges, and other fruity favourites aren't just here to look pretty; they are supercharged and ready to zap you with electrifying wins!

Each spin is like a fruit salad in a storm – a little chaotic, very tasty, and just dangerous enough to keep you hooked! Look out for thunderous surprises, including Wilds, Collectors, and juicy Jackpots (Mini, Minor, Major) boosting your payouts to the sky.

As the storm rolls in, fruity symbols go full power, triggering Hold & Win when six or more coins land. Lightning bolts strike, awarding players three respins that reset with every new symbol. Fill the entire board for the ultimate cashout, and keep an eye out for Jackpot Coins—they only appear during Hold & Win!

But there's more—brace yourself for random Lightning Coin Showers, which keep tensions high and can even trigger Hold & Win!

Venture into the eye of the storm with Fruit Lightning, where every spin crackles with energy, and big wins are just one lightning strike away!
