Game Description

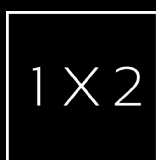

Meet **Captain Hawk**, the daring hen who's conquered the unknown seas, **Mrs. Patty**, the queen of perfect poached eggs, and the enigmatic **Professor Henigen**, whose true identity remains a feathered mystery. These bold birds are your ticket to filling your basket with jackpots and ruffling your feathers with cluckin' big wins!

The action unfolds when you land 6 or more coins, triggering **Hold & Win** with 3 respins that reset with every new symbol. Fill the board to crack the **Mega Jackpot** (5,000x), and keep your eyes peeled for **golden eggs**—they can transform into random coloured coins, unlocking even more feather-ruffling winning potential.

During Hold & Win, the hen's unique abilities spring into action when a coin of their respective colour lands on the board. The **Blue Hen** boosts cash values with 2/3/4/5x multipliers, the **Purple Hen** transforms purple coins into jackpots, while the **Red Hen** scoops up all coins on the board!

But wait, don't count your chickens before they hatch! Get into **Free-range Freespins** mode by landing 3 **Scatters**, awarding you 8 Freespins! During Freespins, all wilds become 2x wilds, doubling all winning spins! As for the hens, they'll collect coins, and grow until they reveal the golden egg, before showering you with riches!

Don't be a chicken—rule the roost! Whether you're multiplying payouts, scooping up jackpots, or laying claim to golden eggs, these hens are ready to hatch extraordinary bounties!
