Game Description

Get ready to shine with **Jewelling Diamonds**, a slot that takes the gemstone glitz to a whole new level! In this classic-themed game, cash symbols and sparkling diamond collectors come together for a glittering experience that promises big payouts worthy of a treasure trove.

When a cash symbol lands but doesn't pay out, the diamonds at the top of the reel collect the bounty, growing larger with each glittering win and increasing the chance for a random diamond shower when a collector finally lands. And that's not all: In Jewelling Diamonds, **Scatters** are a diamond's best friend! Land 3 or more to unlock the studded **Bonus Realm** where you'll have the choice between two deluxe options:

Deluxe Collect takes players on a high-stakes adventure with 2/3/5/8 spins, each guaranteed to include collectors and frequent jackpots!

Deluxe Freespins triggers 6/9/15/24 Freespins, where wilds transform into powerful 2x/3x, or even 5x multipliers!

Prepare to uncover the hidden riches and glamour of Jewelling Diamonds, where every spin is a chance for dazzling treasures, colossal jackpots, and thrilling bonuses!
