Game Description

Follow the rainbow to the Emerald Island and find your lucky clover in **3 Leprechaun Charms**, a 5x3 slot bustling with magic and mischief!

There's a pot o' gold at the end of every rainbow—or in this case, three magical pots! Land coloured coins to fill the pots, trigger coin showers, or enter H&W!

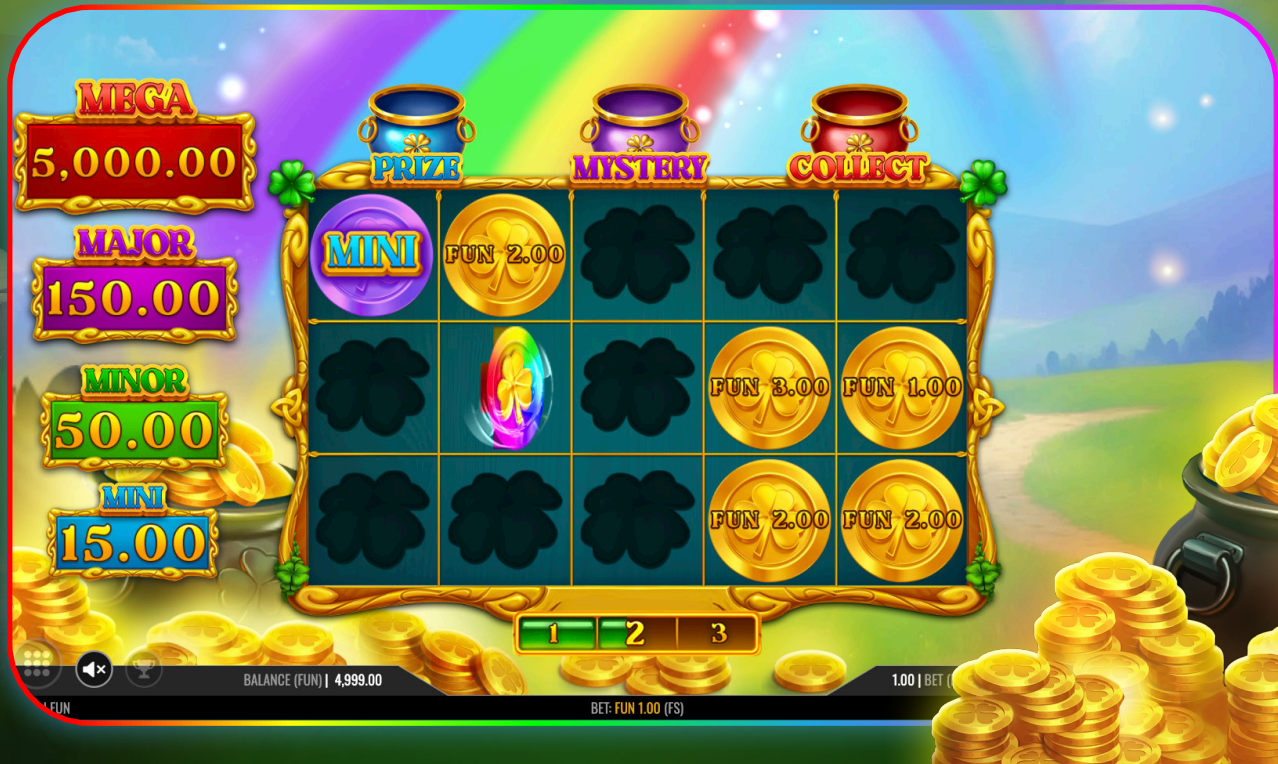

Strike gold by landing six or more coins to enter the **Hold & Win** feature! If a coloured coin is part of the trigger, you're in luck - you'll be able to land the same coin during the mechanic! **Blue Coins** add 2x to 10x values to every coin, **Purple Coins** transform into a random cash value, and **Red Coins** scoop up the value of every coin on the board! And then there's the **Rainbow Coin**, that randomly transform into a coloured coin, opening up the skies to a downpour of sensational wins. Jackpots are also up for grabs, paying 15x, 50x, or 150x your bet, while filling the entire board grants the mega jackpot of 5,000x!

Follow the rainbow to 8 **Freespins** when you land 3 **Scatters**, where every **Wild** becomes a 2x multiplier for even bigger wins.

Grab a pint of Guinness and let 3 Leprechaun Charms take you to a world filled with magical pots, glittering coins, and sparkling rainbows!
