## Game Features

### HOLD AND WIN HR 1/129

Land 3 bonus symbols (Collector/Cash) to enter **Royal Hold & Win** mode, granting you 3 spins that renew with each new symbol landed!

## Game Description

Can ye help **King Albert** recover the long-lost gold stolen from his empire and reclaim his title as the Ruler of the Reels? Set off on an epic adventure to Paramythia Land, where you'll collect crowns, gold coins and regal fruits to aid the king in King's Relics!

Your quest will complete once you land at least one bonus symbol on every reel, triggering the **Royal Hold & Win** feature. This will grant you 3 respins that renew with every new symbol landed! Watch as the bonus symbols stick to the board, and keep your sword drawn ready as there's more treasure to uncover. Every time a **cash** symbol lands, **collectors** gather its value sum for noble payouts!

If **King** Albert himself lands on the board, His Majesty will add a +1 **multiplier** to his position, ramping up the value of cash and collector symbols that land in that spot!

So, stop building castles in the air—spin the reels to uncover the King's treasure, and vie for a chance to build your own prosperous realm—one blazing victory at a time!
