Bring the spice in the **Chilli Hold & Win** feature—randomly triggered when you land one or more coloured coins!

Game Description

One H&W slot, three smoking hot chillies—what could possibly go wrong? Well, if “wrong” means fiery payouts and electrifying gameplay, then absolutely everything!

Watch the three chilli peppers light up with every spin—and stand back as flames transform them into bigger, hotter habaneros every time a coloured coin lands on the board!

Better grab a glass of milk because **Chilli Hold & Win** mode is bringing the HEAT! Hot and spicy, it has it all - land one or more coloured coins and activate the feature, bringing the spice to a sizzling high, awarding 3 spins that renew with each new coin.

But there’s an extra kick in this sauce—Depending on the colour of the coin that helped you activate Hold & Win, you get different rewards:

Red - Three additional rows unlock

Green - A random cash value is added to at least one symbol on the board, every time a new symbol lands

Purple - One extra spin is granted

And don’t forget the **Jackpots!** Fill the entire board to get 5,000x your stake!

Ready to add some flavour to your spins? Salsa your way to big wins—one flaming habanero pepper at a time!
