Game Description

Ever wondered what would happen if you combined three hoggish pigs, a bonanza of explosive wins, a pile of sparkling treasures—and a whole lotta mayhem? The three piggies are back in **3 Porky Banks Extra**, and they mean business!

Keep an eye out for any **blue**, **purple**, and **red** coins—they make the pigs grow bigger! Land 6+ coins to activate **Hold & Win**, triggering 3 spins that reset with every new coin.

- Blue** coins double the cash values of all coins!
- Purple** coins turn into a random 15 to 150x cash value!
- Red** coins collect the value of all coins on the board!

And hold on to your ham sandwich—when a Rainbow coin is thrown into the mix, it will randomly transform into any of the other three coloured coins!

Landing 3 **Scatters** triggers 8 **Freespins**. When a coloured coin lands but isn't enough to trigger Hold & Win, it can activate a **Coin Shower**, pumping up the adrenaline as coins rain onto the reels for an exxxxxtra-large dose of excitement!

Watch the slots spin, pig out on jackpots, and go ham on the reels—**3 Porky Banks Extra** is here to ramp up the fun!
