Game Features

MULTIPLIER TUMBLE

Land successive tumbles on a single spin to move up the multiplier scale! Each win will trigger a tumble, boosting the multiplier on the side of the reels!

ANTE BET

With **Ante Bet** enabled, players boost their chances of hitting juicy multipliers after just three consecutive tumbles (from 10x to 50x - awarded at random)!

Game Description

Brace yourself for tumbles of shiny gemstones and juicy bling, and let **Diamond Surge** sweep you away in a whirlwind of glittering jewels, luxurious payouts and incredible wins!

A downpour of jewels awaits in this 5x3 slot where every diamond-studded tumble can bring you closer to a rhinestone frenzy! Each **tumble** unlocks a new fancy **multiplier**, starting from a **2x** after one tumble—all the way to a dazzling **50x** after four consecutive tumbles!

And if some good old-fashioned bling isn't enough, the **Ante Bet** feature allows players to skip some lower multipliers to reach the coveted 50x multiplier sooner—and in sparkling style.

Hit the reels and get ready to add some 24-carat ice to your get-up with Diamond Surge!
