Game Description

Venture into the sacred depths of ancient Egypt and unseal Cleopatra's tomb in **Cleopatra Wilds: Hold & Win!**

Start your journey amidst the sands of time, where **Wilds** spread across the reels, transforming adjacent symbols into Wilds and collecting all cash values in their path.

Unlock Cleopatra's tomb of riches by landing six or more coins, triggering an ancient ritual of fortune with three respins that reset with every bonus symbol landed! If fate grants you only a few coins, fear not—a **Coin Shower** may summon **Hold & Win** in a cascade of shimmering gold.

During Hold & Win, **Collector Symbols** gather coins, jackpots (20x to 150x), and even other collectors. **Multipliers**—channelled by Ra himself—can also descend, blessing their position on the board with a multiplier value and boosting any symbols that land on subsequent spins! Fill the entire board to claim the **Mega Jackpot** of 5,000x!

Beneath the golden sands, Cleopatra beckons—will you claim the riches of the gods?
