In the base game, **Collector** symbols break the bank—forcing all **Mystery** symbols on the board to reveal themselves while collecting every cash value in sight! With every spin, there is a random chance of making it rain by triggering a **Coin Shower**, launching Hold & Win!

Land 3 symbols across the middle row to trigger **Hold & Win!** Once activated, symbols stick to the board, and you'll get 3 respins that reset with every new symbol that lands. Keep the wins rolling and watch the excitement build as you edge closer to the **Mega Jackpot** (1,000x) by filling the entire board!

But wait, there's more! Once in Hold & Win mode, some symbols can randomly get a supercharged value ranging from 1x up to a massive 10x!

With **Dolla Dolla Bill**, the cash craze never stops—are you ready to rake it in?
