Get six or more coins to unleash **Hold & Win**, granting ye three respins that reset when a **Collector** lands!

Game Description

Ahoy, ye salty seadogs! Set sail for **Grand Ahoy**, the swashbucklin' slot where every roll of the waves could wash up a chest o' glitterin' gold!

Keep a weather eye on the reels, for when a **Collector** symbol lands, it snatches up all the shiny cash symbols on board and awards ye their sum value!

Land **six** or more coins to unleash **Hold & Win**, granting three respins that reset with every collector landed—givin' ye another shot at hauling in the motherlode!

If coins appear but fall short o' triggerin' Hold & Win, fear not—there's a chance a **coin shower** will rain down, setting the course for Hold and Win mode!

Still wastin' away as a scurvy landlubber? Board **Grand Ahoy**, join a rowdy crew of peg-legged pirates and chatty parrots, and sail towards incredible payouts!
